The Most Valuable and Useful Policy Of Life Assurance

Is obviously that which yields the Parties interested the Largest Cash Return in any event. Having regard to this Self-Evident Proposition, application should be made for a Copy of a "NOVELTY IN LIFE ASSURANCE PUBLICATION," issued by **THE SCOTTISH WIDOWS' FUND** showing the Large Bonuses added to Policies, as well as

The Valuable Options

Which may be exercised at any time, viz.—

A PAID-UP POLICY free of future Premiums,
A SURRENDER VALUE, in Cash, if preferred, or
LOANS OF ANY AMOUNT within such value.

IN ADDITION TO ALL WHICH,

Should a Member allow his Policy to Lapse,
without having exercised any of these Options, he is reminded that if he fail to do so A Sum equal to the Surrender Value will be paid at any time. Thus it will be seen that, under every conceivable contingency,
Members are secured against Loss.

The Society's Funds now exceed -	-	-	£11,600,000
The Annual Revenue exceeds -	-	-	£1,370,000

The whole Funds and Revenue belong to the Members.

SIR JOHN LENG, M.P.

DUNDEE DIRECTORY,

1893-94.

GENERAL NOTICE.

THE summarizing of events that have taken place in the city during the past year has been a pleasant task as compared with some of its predecessors. There have been, it is true, many of the uncertainties and irregularities that have characterized former years, both socially and commercially; but there has been at the same time a hopefulness and confidence in the city's prosperity and future that has not been so perceptible for a long time. Since our last issue progress has been the order of the day. In our staple marketable commodity there have been no straitened circumstances; no crying about short jute crops, as was the case last year; and, instead of losing ground, the trade of our good city, rising from the unwonted depression and recuperating from the deteriorating effects of twelve months ago, is maintaining its ground, and at the same time keeping pace with other cities. Socially, Dundee is pressing to the forefront. Commercially, apart from one or two fluctuations, its stability is superior to last year; and politically, imperially as well as locally, it more than sustains its reputation. That is more than we have been able to say for many a day.

Last year there was panic; the jute crop in India was short in growth; the markets were in a state of chaos; some speculators were ruined; others who held stocks reaped large fortunes; all centres affected by jute were crude and uncertain; and short time, low wages, and gloomy prospects were dangled before all concerned. This unsatisfactory state of matters continued for several months; but, as has hitherto been the case under less favourable circumstances, a change took place in a month or two, and everything went on as freely as before. The jute crop of the present season has been fertile; and on the whole there has been little to complain of. It is true that some of the minor manufacturers and spinners put off portions of their machinery when there was some pressure; and later on a section of the Chamber of Commerce felt

they were warranted in reducing the standard rate of wage by five per cent. This reduction, however, was strenuously resisted by the workers. Employers and employed tried to temporize; efforts were made at conciliation by both parties; the discontent of the workers increased; a strike ensued, commencing on 1st May; and in a day or two all parts of the city were involved, it being computed that fully twenty-five thousand persons were idle. Endeavours were made to bring about a settlement, and the employers, after consultation with the leaders of the workers, agreed to restrict the reduction to a minimum of $2\frac{1}{2}$ per cent. By this arrangement it was thought a settlement of the agitation would be arrived at; but, contrary to expectations, the workers refused to have anything to do with the proposed agreement, and insisted on a complete withdrawal of the reduction notices. To this step a number of the employers demurred, and a partial renewal of the strike again took place. In the course of a day or two, however, all the notices were withdrawn, and the employees succeeded in their demands. Work was then resumed, and everything has gone on satisfactorily since.

The progressive element in the city, as we have said, is conspicuous this year. Honours have fallen upon it. Early in the year the title of Lord Provost was ratified, and only a few days ago knighthood was conferred upon Mr John Leng, a gentleman who for many years has been a leader of public opinion in the city and in the north-east of Scotland. People holding the most diverse political opinions are unanimous in their approval of the honour, and feel that it is well deserved.

The allocation of a number of substantial benefactions is without doubt the outstanding feature of the year. The late Mr Cobb bequeathed nearly £80,000 for various benevolent and philanthropic purposes. The division of this money, however, has been kept in abeyance for a time. The Mathewson Trust has devoted £13,000 for similar objects; and Mrs Gilroy, to perpetuate the memory of her husband, has left £8000. In addition to these, two Institutions, each of which will have an important influence in their separate spheres, have been presented to the city. Bannatyne House, at Newtyle, has been equipped as a sanatorium for girls employed in the city, through the generosity of ex-Provost and Mrs Moncur. The Provost has given numerous proofs of how much he has the welfare of the city at heart, and this certainly will prove a great boon to those it is intended to benefit. This Institution, which has already been taken advantage of, has shown that

it will form an agency for great good, and be the means of enabling many a jaded factory worker or shop girl to retrieve lost health and recuperate failing energies. The other step in a popular direction is the gift of £11,000 by the trustees of the late Mr Thomas H. Cox of Maulesden and Strathmartine, the stipulation being that this sum be applied to the erection and endowment in Lochee of a branch free library, reading-room, recreation or lecture-room, swimming pond, and private baths. This money has been formally handed to the Town Council for behoof of that part of the city where it is proposed that the Institution should be placed. For years a strong desire has been expressed that branch baths and libraries should be erected in different parts of the city, and that the expense of their maintenance be defrayed from the rates. A new departure, however, has been made by Mr Cox's trustees, and they have been the first to meet from private sources the wishes of a section of the community in this respect. Arrangements are being made for the erection of this building, which it is expected will be open to the public early next year. An agitation which is receiving attention is on foot for the establishment of a Maternity Hospital and an Hospital for Incurables, and no doubt in the near future these schemes will receive the recognition they deserve.

The acquisition of the Barrack Park for public purposes, a proposal which for a long time has been before us, has now been realized. The sum of £20,000 was paid by the city; but, as about £32,000 was required, the balance was made up by a number of wealthy citizens, particularly by those residing in the vicinity of the Park. The purchase of the Park has given general satisfaction; and, as it is the intention of the authorities to lay it out in walks and terraces, there is no doubt it will prove a great boon to the community in all time coming.

Another step in the way of improvement is the introduction of the Electric Light. Last year we mentioned the probable installation of the light, and that premises were likely to be acquired for that purpose. This year the scheme is in full operation. Premises, plant, and apparatus for the production of the illuminant are situated in Dudhope Crescent Road, and the light is being supplied to some of the leading thoroughfares and to most of the large shops and public buildings within the radius of the installation. By another year it is anticipated that there will be further developments, and that, in addition to business premises, attempts will be made to light private houses by means of electricity.

Building operations throughout the city have been brisk, and new properties of all descriptions are springing up in the suburbs. With the exception, however, of the new offices in Commercial Street for the accommodation of the Police and Gas Commissions, as well as those in Ward Road for the use of the Water Commission, no building of any special importance requires to be noted. The city is extending on all hands. Some years ago we had repeatedly to draw attention to the lots unfenced within the centre of the city. It is satisfactory to note that they are becoming a diminishing quantity. All the Commercial Street sites have been bought up, and in a year or two no doubt the site in West Dock Street, opposite West Station, will be acquired by some enterprising party. The sites, too, in Guthrie Street will soon be filled in, one of them having recently been disposed of, and others are being inquired after.

During the year an agreement, which it is expected will be satisfactory to all parties, was entered into between the Police Commissioners on the one hand and the Tramway Company on the other. The latter sought an extension of their present lease, and, on this being entered upon, they will work the whole of the present lines and future extensions at the rate fixed by the Commissioners. By this arrangement the whole of the north-east end of the city as far as Fairmuir will be opened to Tramway traffic.

Broughty Ferry and its neighbour Barnhill are still on the increase, and Wormit, Tayport, Carnoustie, and Lochee are steadily adding their quota towards the extension of the city and suburbs.

With regard to Carnoustie, an agreement has been come to between the Dundee Water Commissioners and the Commissioners representing that place for a public supply of water from Lintrathen, and it is expected by next year the supply will be introduced.

10th June 1893.

The rates of postage, when prepaid, are as follows, viz.—

For a letter not above 1 oz.	-	-	-	1d.
„ above 1 oz. but not above 2 oz.	-	-	-	1½d.

No letter may be above 18 inches in length, 9 inches in width, or 6 inches in depth, unless it be sent to or from one of the Government Offices.

Letter Cards are sold at the rate of 4 for 4½d, or 9s per parcel of 96.

NEWSPAPERS.

The prepaid postage on every registered inland newspaper is one halfpenny, but a packet, containing two or more registered newspapers, is not liable to a higher rate than the book-postage upon it would be.

Any publication fulfilling the subjoined conditions can, upon payment of an annual fee of 5s, be registered at the General Post Office for circulation within the United Kingdom as a newspaper. Unregistered, a newspaper is liable to the book rate of postage.

- a. The publication must consist wholly or in great part of political or other news, or of articles relating thereto, or to other current topics, with or without advertisements.
- b. It must be printed and published in the United Kingdom; and in numbers at intervals of not more than seven days.
- c. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title, and the date, at the top of every subsequent page.
- d. A supplement must consist wholly or in great part of matter like that of a newspaper, or of advertisements, or wholly or in part of engravings, prints, or lithographs illustrative of articles in the paper. It must in every case be published with the paper, and have its title and date printed at the top of every page, except that any page or side on which engravings or lithographs, illustrative of articles in the paper appear, need not be dated.

A newspaper, if posted in a cover, must have such cover open at both ends, so as to admit of easy inspection, and the title must be exposed to view. The cover must not bear anything besides the title of the newspaper, the name and address of the sender and of the addressee, and a reference to any page of or place in the newspaper to which the attention of the addressee is directed.

A newspaper or packet of newspapers must not contain any unregistered publication or any enclosure of any kind, except the supplements relative to such newspapers.

A packet of newspapers must not weigh above 14 lbs., or exceed two feet in length, one foot in width, or one in depth.

Newspaper wrappers are sold at the following prices:—Bearing halfpenny stamp, at the rate of 7 for 4d or £1 2s 10d per parcel of 480; bearing penny stamp, at the rate of 8 for 8½d or £1 1s 3d per parcel of 240.

- b. Books and other works of a literary character, and any other written or printed matter not being in the nature of a letter.
- c. Sketches, drawings, paintings, photographs, and engravings.

In the above definition expressions referring to print or printing shall be taken to refer to any species of typeprinting easy to recognise, and to include lithography, handstamping, or any mechanical process. Circulars printed or lithographed in characters resembling those of the type-writer, or produced from type-written originals, may only be sent by Book Post provided that they are handed in at the counter of the Post Office, and that at least 20 copies precisely identical are posted at the same time.

Book packets should be posted either without covers (in which case they must not be fastened in any way), or in unfastened envelopes, or in covers which can be easily removed for the purposes of examination. If anything is written or printed on the inside of the covers, the covers must be left unfastened. A book packet may, however, be tied at the ends with string.

In order to secure the return of book-packets which cannot be delivered, the names and addresses of the senders should be printed or written *outside*; thus, "From———of———."

No book-packet may be above 5 lbs. in weight, 18 inches in length, 9 in width, or 6 in depth, unless it be sent to or from a Government office.

INLAND PATTERN AND SAMPLE POST.

Trade Patterns and Samples of Merchandise may be sent between places in the United Kingdom at the following rates of postage:—

For a packet weighing not more than 4 oz.	-	-	-	-	1d.
"	"	more than 4 oz. but not more than 6 oz.			1½d.
"	"	6 oz.	"	8 oz.	2d.

This post is absolutely restricted to *bona fide* trade Patterns and Samples of Merchandise. No article sent for sale or in execution of an order will be admissible, and if any such be posted at the Pattern rate it will be charged with double the deficient postage at the letter rate, together with a fine of 6d.

Patterns and Samples must be sent in wrappers (marked Pattern Post or Sample Post) open at both ends or in unfastened envelopes, so that they can be easily withdrawn for examination; but Samples of seeds, flour, drugs, &c., may be enclosed in boxes (but in such a way as to admit of easy examination), or in bags tied at the neck. Closed bags, if required, will not be allowed.

It is obligatory that the name, trade, and address of the sender be in all cases printed or stamped on the outside of the wrapper or on the label.

Patterns may be returned (at Pattern rates) to the Trader or Firm by whom they were originally sent. They may be returned in the original wrapper, the written address being erased and the words "Returned Patterns" being prefixed to the printed address of the Trader; or they may be returned in a fresh wrapper, with printed or stamped heading, &c.

A packet which contains any writing which would not be admissible by Book Post will be charged at the letter rate.

No glass bottle, glass in any form, liquid, or greasy matter can be sent.

POST CARDS.

Official Post Cards, impressed with a halfpenny stamp,—double or reply Post Cards impressed with a halfpenny stamp on each portion of them,—and private Cards impressed at the Office of Inland Revenue with halfpenny stamps,—may be transmitted between places in the United Kingdom with letters printed or written upon the back.

The address, and the sender's name and address, but nothing else, may be written, printed, or otherwise impressed on the front (or stamped) side. On the reverse side any communication, whether of the nature of a letter or otherwise, may be written or printed. Nothing whatever may be attached, except adhesive stamps in payment of additional postage or stamp duty, and a gummed label (not to exceed 2 inches long and $\frac{3}{4}$ of an inch broad) bearing the address at which the card is to be delivered; nor may the card be folded, cut, or otherwise altered.

No card other than one of those issued by the Government, or a private card impressed with a halfpenny stamp at the Office of the Inland Revenue, will pass under a halfpenny stamp, if it bear on it a communication of the nature of a letter (unless it be a circular letter as defined above).

Inland Post Cards are sold at the following rates:—

Thin Cards 10 for 5½d, or 11s per parcel of 240.

Reply Stout Cards 10 for 1s, or 5s per parcel of 50.

Reply Thin Cards 10 for 11d, or 11s per parcel of 120.

EXPRESS DELIVERY OF LETTERS AND PARCELS.

Letters and Parcels are accepted at the Head Post Office for immediate despatch to any part of the Town or Rural District. They must be handed in over the counter at the Head Post Office, and the words "Express Delivery" must be written above the address by the sender.

The Express fee for a letter, packet, or other article under 1 lb. in weight is:—For every mile or part of a mile, 3d. For a letter or parcel over 1 lb. in weight the Express fee is:—For every mile or part of a mile, 3d; and for every lb. or part of a lb. beyond the first lb., 1½d.

If the distance exceeds two miles, and a public conveyance is not available in both directions, the actual cost of a special conveyance must in all cases be paid in addition to the Express fees.

All charges must be prepaid in postage stamps, to be affixed to a form provided for the purpose.

On the delivery of a letter or parcel, the messenger may take a reply or perform a further delivery service, provided that a second fee be paid. When a reply or further service is required by the sender, the words "Wait Reply" or "Further Service" must be written above the address. When a letter or parcel is taken on a return or further service to an address on the messenger's homeward route, or within half a mile of the Post Office from which the messenger started, half only of the mileage rate is charged.

Letters and Parcels forwarded by Mail in regular course of post may be sent out by Express messenger on arrival at the Office of Delivery. In addition to the full ordinary postage, the Express fee is 3d for every mile from the Office of Delivery, and this fee must be prepaid by stamps affixed to the letter or parcel. When the distance exceeds two miles, at least one-half of the amount payable in respect of fee and charge for special conveyance must be prepaid, and the deficiency, if any, will be demanded from the addressee. Such letters or parcels should have the words "Express Delivery" boldly marked above the address, and, in the case of a letter, the cover must in addition be marked with a broad perpendicular line from top to bottom both on front and back. They may be posted in the ordinary way.

INLAND PARCEL POST.

Parcels *not exceeding 11 lbs. in weight, 3 ft. 6 in. in length, or 6 ft. in length and girth combined*, are received at any Post Office for transmission between places in the United Kingdom.

The rates of Postage are—for a Parcel—

Not exceeding 1 lb. in weight,	-	-	-	3d.
Exceeding 1 lb. in weight and not exceeding 2 lbs.,	-	-	-	4½d.
„ 2 lbs. „ „ „ 3 lbs.,	-	-	-	6d.
„ 3 lbs. „ „ „ 4 lbs.,	-	-	-	7½d.
„ 4 lbs. „ „ „ 5 lbs.,	-	-	-	9d.
„ 5 lbs. „ „ „ 6 lbs.,	-	-	-	10½d.
„ 6 lbs. „ „ „ 7 lbs.,	-	-	-	1s. 0d.
„ 7 lbs. „ „ „ 8 lbs.,	-	-	-	1s. 1½d.
„ 8 lbs. „ „ „ 9 lbs.,	-	-	-	1s. 3d.
„ 9 lbs. „ „ „ 10 lbs.,	-	-	-	1s. 4½d.
„ 10 lbs. „ „ „ 11 lbs.,	-	-	-	1s. 6d.

Postage stamps to the required amount must be affixed by the sender, and parcels must not be posted in a letter-box, but must be taken into a Post Office and handed over the counter.

Parcels containing fish, game, meat, eggs, &c., or razors, scissors, needles, knives, forks, or other sharp instruments, are not accepted unless securely packed so as to guard against risk of injury to other parcels. Liquids or semi-liquids, such as jellies, pickles, paint, varnish, &c., are not accepted unless in bottles or cans securely stoppered; nor powders, unless well packed.

Parcels addressed to or sent from the Channel Islands are received under the above conditions and rates, but such parcels are liable to Customs examination at the port of arrival, and the sender is required to make a declaration of contents upon a special form provided for the purpose.

Parcels addressed to a Post Office to be called for, or to a person residing beyond the free postal delivery, are kept three weeks. At the end of one week, if the parcel bears on the outside the sender's name and address, a notice of the fact that the parcel has not been delivered is sent to him.

Parcels addressed to a Post Office “to be called for,” are liable to a demurrage charge at the rate of 1d a day. No demurrage is charged on parcels addressed to persons outside the limits of free delivery, or to persons on board ship.

In order to facilitate the return of parcels which cannot be delivered, it is most desirable that the name and address of the sender should appear on the outside of every parcel.

Compensation for the Loss or Damage of Inland Parcels.

If a parcel is not registered, the Postmaster-General will accept liability up to £2, without payment of any fee beyond the postage, provided that—(1) the parcel is posted in the manner prescribed for the posting of parcels, and the postage prepaid; (2) a certificate of posting is obtained from the officer receiving the parcel; (3) the contents of the parcel are securely packed.

No compensation (either for loss or damage) will be given in respect of a parcel containing (1) anything which may not be sent by Inland Parcel Post; (2) money; (3) a watch or jewellery, unless registered.

No compensation will be given in respect of damage to a parcel containing eggs, soft fruit, liquids, or any exceptionally fragile or perishable articles; but, in all such cases, compensation will be given in respect of the loss of the parcel, or of any article contained therein.

INLAND REGISTRATION.

The fee for registering any Inland postal packet (parcels included) is twopence, and this registration fee and the postage must be prepaid.

Every article presented for registration must be enclosed in a strong cover, securely fastened. It must be given to an Agent of the Post Office, and a receipt obtained for it. If, contrary to this rule, an article marked "Registered" be dropped into a letter-box, it will be liable to a registration fee of 8d (less any amount prepaid for registration).

Every article presented for registration should be marked "Registered," and with the amount of the fee proper to the value up to which the sender desires to secure compensation, thus—"Registered 2d," or "Registered 3d."

Inland postal packets containing coin, watches, or jewellery, if posted without registration, are subject to compulsory registration, and are charged on delivery with a fee of 8d, in addition to the ordinary postage; but such compulsory registration gives no title to compensation for loss or damage.

The sender of an Inland postal packet may obtain an acknowledgment of its due delivery by paying, at the time of posting, a fee of 2d in addition to the postage and registration fee.

The Postmaster-General will (subject to certain rules) give compensation for the loss and damage of Inland Registered Postal Packets of all kinds upon prepayment of a fee in addition to the postage. This fee either consists of, or includes in each case, the ordinary registration fee of 2d; and the scale of fees and the respective limits of compensation are as follows:—

Fee 2d, Compensation £5.	Fee 7d, Compensation £30.
„ 3d, „ £10.	„ 8d, „ £35.
„ 4d, „ £15.	„ 9d, „ £40.
„ 5d, „ £20.	„ 10d, „ £45.
„ 6d, „ £25.	„ 11d, „ £50.

The registered Parcel Post is also available for watches and jewellery. Money may also be sent in a registered parcel, but no compensation will be given in respect of the loss or damage of such parcel.

RE-DIRECTION.

No charge is made for the re-direction of letters (including registered letters), whether re-directed by an officer of the Post Office or by an agent of the addressee after delivery, provided, in the latter case, that the letter is re-posted not later than the day (Sundays and public holidays not being counted) after delivery, and that it does not appear to have been opened.

Post Cards, book packets, sample packets, newspapers, and parcels are, when re-directed, liable to additional postage, if the original and corrected addresses are not both within a delivery from the same Post Office.

A Postmaster is not bound to re-direct letters for a person temporarily leaving home, unless the house be left uninhabited.

MONEY ORDERS.

When applying for Money Orders, the public should use the printed "Application Forms," which are supplied gratuitously at all Money Order Offices.

The commission on Inland Money Orders is:—

For sums not exceeding £1,	-	-	-	-	2d.
„ above £1 and not exceeding £2,	-	-	-	-	3d.
„ „ £2 „ „ £4,	-	-	-	-	4d.
„ „ £4 „ „ £7,	-	-	-	-	5d.
„ „ £7 „ „ £10,	-	-	-	-	6d.

The applicant must furnish, in full, the surname and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address. In the case of Foreign Orders the full address of the payee must be given; and if the Order be payable to a native in British India, the Tribe or Caste, and the Father's name must also be furnished.

Exceptions.—1st. The remitter of an Inland Order may direct at the time of issue, that the Order be crossed like a cheque thus, & Co., and thus be payable only through a Bank. In that case he may give or withhold the name of the payee. The designation of the Bank need not be furnished.

2d. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient.

3d. The usual designation of a firm, as well as the ordinary title of any company or society, is sufficient either as remitter or payee.

The remitter may make his order payable ten days after date, provided that, when he obtains the order, he affix thereto, in the presence of the Postmaster, in the space after the request C., a penny adhesive stamp, and write his signature across the stamp.

To guard against fraud the remitter is recommended,—

1st. When he is well known to the payee, to sign the letter enclosing the Order with his initials only.

2nd. When this is not the case, either to make the Order payable ten days after date, or to register the letter enclosing it, or to make the Order payable through a bank by crossing it like an ordinary cheque.

3d. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

Money Orders are issued free of charge when required for the remittance of Income Tax, Inhabited House Duty, Land Tax, Excise Duties, or Legacy and Succession Duties.

Money may be transmitted by Telegraph Money Order in the United Kingdom. The commission is double the rate of an ordinary money order, and, in addition to the commission, a charge is made at the ordinary inland rate for the Official Telegram authorizing payment at the Office of Payment and for the repetition thereof, the minimum being 9d. Any telegraphic communication which the remitter may wish to despatch to the payee must be paid for at the ordinary inland rate, the minimum being 6d.

Money Orders are issued in the United Kingdom on the following Foreign Countries, British Colonies, &c., at the rates of commission shown below:—

PREPAYMENT OF INLAND LETTERS AND BOOK PACKETS.

INLAND REVENUE STAMPS.

FOREIGN AND COLONIAL LETTERS.

The addresses of letters for Russia should be very plainly written, and the name of the town and province should also be added in English, French, or German.

FOREIGN AND COLONIAL NEWSPAPER AND BOOK POST.

Articles which may be sent to places abroad under the Book Post Regulations consist of two classes, as follows :—

- (a) “Commercial Papers,” under which are comprised all papers or documents written or drawn wholly or partly by hand (except letters or communications in the nature of letters, or other papers or documents having the character of an actual and personal correspondence), documents of legal procedure, Deeds drawn up by public functionaries, copies of or extracts from Deeds under private seal (and whether written or printed on stamped or unstamped paper), Way Bills, Bills of Lading, Invoices, and other documents of a mercantile character, documents of Insurance and other public companies, all kinds of manuscript music, the manuscript of books and other literary works, and other papers of a similar description.
- (b) “Printed Papers,” including newspapers, periodical works, books (stitched or bound), pamphlets, sheets of music (printed), visiting cards, address cards, proofs of printing (with or without the manuscript relating thereto), engravings, photographs, drawings, pictures, papers impressed for the use of the blind, or card-board drawing models stamped in relief, plans, maps, catalogues, prospectuses, announcements, and notices of various kinds, whether printed, engraved, lithographed or autographed, and in general all impressions or copies obtained upon paper, parchment, or card-board by means of printing, lithography, autography, or any other mechanical process easy to recognize, except the copying press and type writer, and anything usually appurtenant to any of the before-mentioned articles in the way of binding, mounting, or otherwise, and anything convenient for their safe transmission by post which shall be contained in the same packet; also printed, engraved, or lithographed circulars, notwithstanding that such circulars may be letters or communications in the nature of a letter. On printed circulars manuscript corrections and insertions may be made as to names of commercial travellers, dates of journey and dates of departure of ships. Printers’ proofs may be corrected in manuscript, as may also figures in prices current, stock and share lists, &c. Stamps for prepayment and all printed articles constituting the sign of monetary value are however excluded.

The two classes are subject to the same rates of postage, except that the minimum charge for a packet of Commercial Papers is 2½d in every case. If there be any mixture of the two in the same packet the whole packet is treated as Commercial Papers.

Commercial Papers and printed papers may be posted either without a cover (in which case they must not be fastened by gum or otherwise), or in an envelope left unfastened, or in a cover open at both ends. The packet may, however, be tied at the ends with string.

To secure the return of packets which cannot be delivered, the name and address of the sender should be written or printed outside.

The limit of size for British Colonies or Possessions or non-Union countries are 2 feet in length by 1 foot in width or depth; but to foreign countries in the Postal Union the length is limited to 18 inches. If in the form of a roll the limits of size in either case are 30 inches in length and 4 inches in diameter. The limits of weight are 5 lbs. for British Colonies or Possessions, and for non-Union countries or colonies; and 4 lbs. for foreign countries in the Postal Union.

All Books and printed matter imported into the United States through the Post, however small the values, are subject to a duty of 25 per cent. of that

value. The following articles are still exempt from Custom duties:—1. Newspapers and periodicals already exempt from duty; 2. Photographs and printed papers, other than Books, received in the United States in such small quantities as to suggest that they are intended for personal use and not for sale.

Books and Periodicals addressed to the Republic of Colombia are liable to Customs duties unless intended for the personal use of the addressee.

The rates of postage, which must be prepaid, on packets to places abroad are given in the Table of Foreign and Colonial Postage on page 116.

FOREIGN AND COLONIAL PATTERNS AND SAMPLES.

There is a Pattern and Sample Post to Foreign Countries and the Colonies generally; but it is restricted to *bonâ fide trade patterns or samples of merchandise*. Goods sent for sale, or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another which are not actually patterns or samples, cannot be forwarded as patterns.

No article liable to Custom Duties can be sent as a sample or pattern.

The rates of postage will be found in the Table of Postage on page 116.

Patterns or Samples, when practicable, must be sent in covers open at the ends, and in such a manner as to be easy of examination. But samples of seeds, drugs, and such like, may be posted enclosed in boxes or bags fastened in such a manner that they may be readily opened.

There must be no writing or printing upon or in any Sample Packet for non-Union countries, except the address of the person for whom it is intended, the address of the sender, a trade mark or number, the price of the articles, the weight or size, and the quantity to be disposed of, or such as may be necessary to indicate the place of origin or the nature of the merchandise. A packet for a country in the Postal Union may contain Printed Papers, and if the rates for Commercial Papers be paid, it may also contain Commercial Papers.

Samples of saleable value must not be sent to any foreign country, or to any of the British possessions which are comprised in the Postal Union.

Liquids, Glass, Explosives and Colouring Powders, are absolutely prohibited.

The limit of weight for British Colonies or Possessions or for non-Union countries is 5 lbs., but for the Argentine Republic, Austria, Belgium, Bolivia, Bulgaria, Congo Free State, Costa Rica, Dominican Republic, Ecuador, Egypt, France, Greece, Guatemala, Hawaii, Holland, Honduras Republic, Hungary, Italy, Japan, Liberia, Luxemburg, Mexico, Persia, Peru, Portugal, Roumania, Salvador, Servia, Siam, Spain, Switzerland, Tunis, United States, and Venezuela, the limit is 12 oz., and for other countries of the Postal Union, 8 oz.

The limit of size for British Colonies or Possessions or for non-Union countries is 2 feet in length by 1 foot in width or depth; and for foreign places in the Postal Union 12 feet in length, 8 inches in width, or 4 inches in depth; unless it be in the form of a roll, in which case the limit of size is 12 inches in length and 6 inches in diameter.

FOREIGN AND COLONIAL POST CARDS.

Single and Reply Post Cards are transmissible to all parts of the world (except St Helena, to which single cards only can be sent)—Single Cards, 1d each; Reply Cards, 2d each. (Inland Post Cards are transmissible abroad if the additional postage required is supplied by postage stamps being affixed.) The regulations relating to Inland Post Cards apply also to Cards posted for places abroad.

For places named in the Table of Parcel Postage—other than those detailed above—same as for Inland Parcel Post.

The postage must in all cases *be paid in advance*, by means of postage stamps fixed by the sender. Each parcel must be plainly directed, and should bear the words "Parcel Post" in the upper left-hand corner, and the name and address of the sender. The date of posting should also be added. A parcel must not be posted in a letter box, but, as in the case of the Inland Parcel Post, must be taken into a Post Office and presented at the counter.

Parcels will be liable to Customs duties and regulations, and the sender of each parcel will be required to make a Customs declaration furnishing—upon special form provided for the purpose, which can be obtained at any Post Office—an accurate statement of the contents and value, the date of posting, and other particulars.

Parcels for Her Majesty's ships cannot, as a rule, be accepted for transmission unless the name of the particular place, to which in each case the parcel is to be forwarded, forms part of the address.

The transmission of any letter whatever, no matter to whom addressed, in parcels for foreign countries and for the Cape of Good Hope, Mauritius, Natal, Jamaica, the Australian Colonies, Fiji, New Zealand, and Trinidad, is strictly forbidden.

Parcels for Aden, Ascension, Egypt, India, St Helena, South Africa, and Zanzibar, must not exceed £50 in value.

Parcels should be securely packed, and must be so sealed that they cannot be opened without the seals being broken.

COMPENSATION FOR LOSS OR DAMAGE.

The Postmaster-General will, subject to certain rules, give compensation for the loss or damage of uninsured parcels sent by Parcel Post to various foreign countries (to amounts not exceeding 12s and 20s) when such loss or damage takes place while the parcels are under his custody; and in the case of parcels lost or damaged while under the control of a Foreign or Colonial Administration, the Postmaster-General will endeavour to obtain compensation for the senders.

GOVERNMENT INSURANCES AND ANNUITIES.

Under the Government Annuities Act, 1882, Insurances may be effected for amounts not less than £5 and not more than £100 on one life; and Annuities may be purchased for amounts not less than £1 and not more than £100 on one life. Forms of proposals may be obtained at the Post Office.

POST OFFICE TELEGRAPHS.—INLAND TELEGRAMS.

The charge for telegrams throughout the United Kingdom is 6d for the first 12 words, and $\frac{1}{2}$ d for every additional word. Addresses are charged for.

The telegram forms are of two kinds, the “A1” form, embossed with a stamp, and the “A” form (given gratis), with no stamp. The “A1” forms

may be purchased singly. They may also be had in books of 20, interleaved, and with a sheet of carbonic paper, price 10s 2d each book.

When the terminal office, *i.e.*, the office nearest to the address, is a Head Post Office, the amount paid for transmission covers the cost of delivery within one mile or within the town postal delivery when that extends for more than a mile. But when it is not a Head Post Office, the message is delivered free within one mile only.

When the addressee resides beyond the free delivery, portorage is charged at the rate of 6d per mile or part of a mile, provided the whole distance does not exceed three miles. If the addressee resides at a greater distance than three miles from the terminal office, portorage is charged, for delivery by mounted messenger, at the rate of 1s per mile (except in Ireland, where the charge usually is only 8d per mile), the distance being reckoned from the office door.

Copies of a telegram directed to more than one person in the same free delivery are delivered at a charge of twopence per copy, in addition to a half-penny for each word in the address of the copy.

No combination of words is counted as one, with the exception of those which are ordinarily written as one, or coupled by hyphens, as "mother-in-law," "non-delivery," "almshouses," "forty-seven." Certain exceptional names, such as O'Neil, MacDonald, De la Rue, are charged for as single words. So, too, are names with the prefix "St," as St Pancras; but double names of persons, like Smith-Payne, are counted as two words.

Abbreviations of words, "can't," "won't," "don't," are counted as single words, but there is a great risk of error.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being added for the mark of division. In groups of figures a stop is counted as a figure. The symbols o/o, a/c, b/l, and c/o are each counted as one word. Ordinal numbers are charged in the same way as cardinal, with the addition of one word for the affix st, nd, rd, or th.

Anyone may have an abbreviated address, registered on payment of a guinea a year, but the registration of abbreviated addresses is not recommended.

The cost of a reply, not exceeding forty-eight words, may be prepaid, and a reply form will then be delivered to the addressee, who will be at liberty to send his reply, from any telegraph office, at any time within two months.

Telegrams can be repeated, if the sender desires it, by being signalled back from office to office. No copy is, in such case, given to the sender. The charge for repetition is one-half the ordinary tariff. Telegrams containing mercantile quotations or figures, and telegrams written in cypher, or according to a preconcerted code, should always be repeated.

FOREIGN TELEGRAMS.

Foreign telegrams are of two kinds, telegrams in plain language and telegrams in secret language. Those in plain language are composed of words, figures, and letters conveying an intelligible meaning. Those in secret language are divided into: (1) preconcerted language or code, (2) cypher.

Code telegrams are those composed of words, the context of which has no intelligible meaning. Proper names are not allowed in the text of code telegrams, except in their natural sense. Words of more than ten letters are not allowed. In Code telegrams only English, French, German, Italian, Spanish, Portuguese, Dutch, and Latin, may be employed, but words of any or all of these languages will be allowed in the telegram.

Cypher telegrams are those containing groups of figures having a secret meaning. Telegrams consisting of groups of letters are not accepted, but groups of letters denoting trade marks are allowed in the midst of plain or preconcerted language and are then charged for as figures.

The address of the sender is charged for, if transmitted; in any case it must be written at the foot of the form.

In ordinary European telegrams the length allowed for a word is 15 letters, in extra-European telegrams 10 letters; any additional letters being charged for at the rate of 15 or 10 letters respectively to the word.

Subject to the limit as to number of letters, ordinary compound words and names of persons and places, &c., written without break or interruption, are counted as single words. If joined by a hyphen, or separated by an apostrophe, they are counted as so many separate words.

Compound numbers written in words and without break are also counted as single words subject to the same limit as to the number of letters. The name of the office, county, province, and country of destination in the addresses of telegrams are charged for as one word whatever their length.

Every separate letter or figure is charged for as one word, and in European telegrams every group of five figures or letters is counted as one word, larger groups being counted at the rate of five figures or letters to a word, plus one word for any excess. In extra-European telegrams groups of figures (or letters when used as trade marks) are counted at the rate of three to a word, plus one word for any excess. Bars of division, decimal points, and stops used in the formation of numbers are counted as figures. Letters added to figures to form ordinal numbers are counted as figures.

If the sender desires to prepay a reply of 10 words he must insert before the address of the receiver "R P," which is charged for as one word; but if he desires a reply of more or less than 10 words, he must insert "R P—", which are charged for as two. A less sum than 10d cannot be accepted in prepayment of a reply. More than 30 words cannot be prepaid.

Dundee Burial Society

WAS established on the 20th March 1862, for the purpose of enabling working people, by means of small weekly payments, to insure sums at death according to age. It is the only Society of its kind having its head office in the city. It is managed by working-men in their spare hours. Once every year the qualified members are called together, and the whole of the Society's affairs reported on, and office-bearers are elected from the members present at the meeting. Any qualified member can be proposed for a vacant office. Since the commencement of the Society the membership has gradually risen, until now there are over 12,000 on the register. The first year the Society was indebted to the promoters for the loan of money to carry on the work; while at the end of the financial year 1892 there was invested with the Dundee Police Commissioners and the Dundee Harbour Trustees the sum of £10,441, 18s 4d. The Society has also paid out in Bonuses since the commencement nearly £5,000. It is intended to pay Bonuses every five years, so that parties wishing to join the Society should do so before the 30th June this year, so that they may participate in the next five years' Bonus.

Anyone calling at the Head Office, 2 BAIN SQUARE, between the hours of 7 and 8, every lawful evening (Saturday excepted), will get copies of the Rules, and be given all information regarding the Society; or they can apply to any of the collectors, whose names and addresses are given on the opposite page.
